SUBJECT: COVINGTON, Michael Alexis
Case No.: 7:18-CR-3-1BO
Request for Early Termination

TO: Terrence W. Boyle
United States District Judge

On May 30, 2018, Michael Alexis Covington was convicted of Possession With Intent to Distribute a Quantity of Cocaine. Mr. Covington appeared in United States District Court for the Eastern District of North Carolina and received 48 months imprisonment, followed by 3 years of supervised release. He began supervision on September 17, 2021.

Mr. Covington has performed satisfactorily on supervision. He has submitted to DNA testing, and with the exception of traffic offenses, he has had no new criminal charges. He has been on low intensity supervision since January 2023. All drug screens have been negative. Mr. Covington is also gainfully employed and has satisfied all his monetary obligations. His term of supervision is set to expire on September 16, 2024.

The probation office is requesting early termination. The U.S. Attorney's Office disagrees with our recommendation for early termination noting the defendant's "most recent conviction relates to his distribution of large quantities of cocaine while on supervised release from a 2008 federal drug conviction." Please indicate the court's preference by marking the appropriate selection below.

- ☒ I agree with the recommendation and have signed the enclosed Order.
☐ I disagree with the recommendation. The defendant must serve the entire term of supervision.
